Bootstrap

Portfolio Project: Find an Idea

Instructions

1. **Publish your report in this forum** by replying and attaching your report. You can decide to create and attach a Word document, Powerpoint file, or PDF - a PDF is recommended. Please follow the template described in the previous activity as you develop your project ideation, then engage with your classmates as they review your project and ask questions.

2. **Review your classmates' reports**, provide feedback, and ask questions,

3. **Evaluate** if you want to continue working on your own project, or join one of your classmates'.

Separate groups: ONCE-2021-02-04
